

# Albertsons Community Partners Program

Thank you for supporting the Las Vegas Coyotes Baseball Club. The club consists of multiple teams with players ages 8-14 who play competitive baseball year-around in Las Vegas and throughout the Southwest and Cooperstown. We are a 501 c(3) non-profit corporation in the State of Nevada.

**100% of the Contribution Goes to the Players.**

Rest assured that all the money received through the program will go to the players. The Contributions will cover items such as tournament costs, cost of practice fields, and the cost of team equipment and uniforms. In sum, the contributions will pay for the cost of playing Baseball.
